## From Peggy's Pen

Thank you. I believe that these can be some of the most impactful words, when shared with intentionality. Every day, many people do a lot of things that go unnoticed, or things that often get taken for granted. There are many thankless jobs out there. And yet, many people continue to not only do these jobs, but they do them with joy and with a purpose.

I recognize that it's not just within our jobs, but also in the other aspects of life we like to dedicate our time and energy, including here at church, that often go unnoticed or not appreciated. Well, if you're reading this, I want to say thank you. Thank you for investing your time, dedication, resources, and spiritual connection here at Trinity UMC. For those who show up to do the dirty and messy projects, deep cleaning, the tedious organizing, newsletters, meetings, offering hospitality, sharing in music, and so much more. Thank you. I know many of you don't do it for the appreciation – you do it because it's something you love. Thank you for allowing God to use you.

And if you're feeling that nudge, of how you want to do something, connect more, grow deeper, lead and/or participate; there are plenty of opportunities in October. From an all church work day on Oct. 13, to discovering your spiritual gifts and how to apply them, to prayerfully considering joining a ministry team/committee within the church.

Thank you for being an active part of this body of Christ known as Trinity United Methodist Church. It is truly an honor and privilege to get to be your pastor, to know you, and to call you sisters and brothers in Christ. Thank you for joining me in this life and ministry together.

Peace and God Bless,

Pastor Peggy Hanson

Also if a program that you have been leading or assisting with has any changes, or is no longer being offered, please communicate that to us as well.

Who makes a great leader for a Bible study, or Sunday School time with the children? Grandparents. Mom and Dad. High school mentors. Single people. Married couples. YOU!

See you in class!

Trinity United Methodist Women will meet on October 4<sup>th</sup> at 12:30 at the CMC. Bonnie Brooking will be hostess and Sharon Narem will have the program on the Thank Offering. Everyone is welcome.

We also have a holiday table at the Home Party and those proceeds go to a mission project in our organization/community. Check your attics and basements and storage closets for items you don't want to use anymore that are still in good shape!

**The Power of Prayer  
Break Through Prayer Meetings**

We will gather on **Saturday, October 6 at 9:30 a.m.** in the Johnson room to begin our time of prayer. We begin with sharing any God sightings or God-insights that we have felt God has placed on our hearts. We share about how we can be in prayer for our church and the ministries of our church.

We hope you will continue to join us for our 1:11 (p.m. or a.m.) prayer!

**Almighty God, we ask you to breakthrough in our lives and in the life of our church, unleashing Your power without limit; to do what only you can do within us, to do all the great things you have in store for us and for this community. Amen!**

Thank you for joining us in this important ministry of breakthrough prayer!

## Change To Make A Change

Every month, on the Third Sunday, we will be sharing in a special offering during children's time. Our children are going to help collect any change (paper or coin), to help make a change. All the collection will go to support a mission/outreach project. Each month will be different. The mission could be local, national, and/or world-wide.

This offering is an expansion of the "Loaf-Of-Bread" offering that was taking place. By diversifying, we're helping to share the light of Christ to many, many more!

Here are our updates!

**January:** Mission Trip to Honduras, we collected \$169.75

**February:** Money for Hygiene supplies for the LDHS, we collected \$128.20

**March:** Money for Post-Prom Breakfast, we collected \$126.07

**April:** Camp Scholarships, we collected \$388.00

**May:** Clothe-A-Kid, we collected \$202.22

**June** Vacation Bible School, we collected \$103.54

**July:** United Methodist Committee On Relief (UMCOR), we collected \$184.63

**August:** Teen Court, we collected \$114.21

**September:** UMCOR Health Kits, we collected \$149.00

For the month of October, on Sunday, October 21, 2018 our change to make a change will go to support the Lord's Cupboard. The Lord's Cupboard helps to provide the basic needs of food with dignity, respect, and compassion. These donations help to support the people in our own local communities. Let's help make a difference in the lives of children and youth in our community.

### TUMC TRUSTEES AGENDA September 20, 2018

Present: Mike Darling, Dean Geiman, Larry Howell, Bob McNeil, Don Rogers, Cameon Jacobson, and David Vardiman

Cameon opened the meeting with a brief prayer.

The minutes from August meeting were approved.

#### Old Business

Sunday School Rooms –up date – Lights have been purchased and installed in large class room and cry room; a 2<sup>nd</sup> floor hall switch was installed, and a dimmer installed for the cry room; toys and supplies have been sorted (a \$500 donation for new toys and supplies has been received); paint has been selected and purchased and the hall, Sunday School Rooms and Cry room will be painted by early October. (cost to date: \$1570)

Projector System – update – System was installed 9-11-2018 and used for the church service 9/16/18. Feedback has all been positive.

The Sprinkler System Winterization – Mike and John winterized system Sept. 18. Need to complete Oct. 2 by setting the control box to off.

(continued next page)

Hail Damage – update – No payments from Acuity have been received – Linda at First Western is checking on it and Cameon will continue to check with her until receive payment.  
Parsonage is complete (cost: \$8413.94 (deductible = \$1000)) Need to check if window well cover was replaced and how to recover depreciation. HomeMasters Wants Paid.  
CMC – new report from adjuster was received but the work is not yet complete.  
Church – new report from adjuster was received. We want to make sure we deduct out cost for painting siding ~\$4000 to apply to Deadwood Grant match. The work is not yet complete.

2018 MAINTENANCE PROJECTS/WORK LIST: **Fall Work Day - October 13, 2018** – a list of work projects was reviewed.

Cameon will type up cards for the projects like we used for the spring work day.

New items – Leak in foundation in Wesley Room – This seems to be a new problem. David suggested we contact the city to see to see if there may be a water or sewer line break up the hill from the church – Cameon will follow-up.

Heat in Sunday School Room on north worked for part of last winter then stopped working – it was suggested we contact Jerry Pontius to see if he has any suggestions

Builders Grant – Pastor Peggy has received two calls from Conference strongly recommending we apply for the grant for moving the church office to the CMC. Pastor Peggy, Don Rogers and Larry Howell are working on cost estimates for the grant proposal. We agreed it looks like a good proposal with options depending on the size of the grant we obtain. It would also allow for the opportunity to rent out one of the office rooms with shared front space. Two groups have looked at the space and may be interested in renting. A price of \$500/month (utilities, dumpster and parking included) was quoted to both groups.

Electronic door locks for the CMC & church buildings – New locks and a new front entry door are included in the Builders Grant. Bob McNeill presented information and a photo of a very narrow key pad that is available from Harvey's lock.

Property insurance review for insurance for 2019 – Cameon will request proposals from Mike Fisher and another company to compare with First Western Insurance (Acuity) - Jim Wefso will help evaluate proposals.

Outside of Deadwood Grant Application for Church Residing –The grant application deadline is February 2019. Cameon will complete the application and present it for review in November.

## **New Business**

2019 Budget – Cameon reviewed the Trustees portion of the budget.

2019 Proposed Capital Projects (from 5-year Capital Plan) was reviewed and briefly discussed. We were able to complete many of the projects in 2018 but several will be rolled over until 2019 and several are included in the Builders Grant. We will continue to set aside \$300/month in a HVAC fund. We discussed the need to reseal the parking lot and around the CMC – Don R. will check it out and make a recommendation. (Note - \$255.10 from parking lot fund was used to patch driveway after sprinkler system was installed, \$989 remains). There are many items for repair on the exterior of the parsonage. Most of these, apart from repaving the driveway could be postponed to 2020. Funding of any projects will depend on the over all church budget for 2019.

New items – Repair the retaining wall between the church and Sue Holloway's lot. The wall has tipped past the danger point. The Trustees and anyone who can help will tear down the top third of the wall next Tuesday. The brick will be set aside until Spring when we will rebuild it with better drainage and reinforcement.

CMC Tube lighting replacement – over half the ballast in the CMC are not working. It would make sense to replace them with LED tube lights. An estimate from Phil's electric shows a cost of ~\$2500 to replace all the tube lights in the CMC with LED lights.

Annual Parsonage Walk Through - Don Daywitt and Larry Howell will schedule this with Pastor Peggy in early October.

Building Use – Need to remind everyone through the news letter and announcements that people/groups wanting to use the CMC need to reserve the space with Norma to avoid conflicts.

(continued next page)

**Next meeting** – October 13 during the Fall work day (Cameon will be out of town Oct. 18)

## A Way Forward – Town Hall Meetings

You are invited to join us for town hall meetings to understand the current tension existing in the denomination known as The United Methodist Church regarding the topic of homosexuality and the church.

Together, we will seek to understand the different viewpoints that exist regarding homosexuality and the church, discuss the upcoming special General Conference in 2019, the plans/proposals that will be discussed, and how we can be in prayer that gathering.

During these town hall meetings, we will **not** be debating the topic of homosexuality in the church, but seeking to understand the different viewpoints, proposals and how to best be in prayer. The town hall gatherings will be held on:

**Saturday, October 20 at 9:30 a.m.**

**Sunday, October 21 at 10:30 a.m.**

**Tuesday, October 23 at 5:30 p.m.**

Following these meetings, there will also be a gathering at Rapid City First United Methodist Church on Tuesday, October 30 from 6:30 p.m. – 9:00 p.m. with Bishop Bruce Ough.

If you have any questions, please don't hesitate to talk to me. If you're unable to attend one of these town hall meetings, but would like to visit with me, I am happy to do that as well. Thank you for your time and please be in prayer for the Holy Spirit's guidance and that people would be open to the Spirit.

Peace and God Bless,

Pastor Peggy Hanson

Save The Date: Saturday, November 3rd!

The Eight Annual South Dakota's Largest Home Party will be at the CMC from 10-3. You can support 3 TUMC projects by attending this one event! First, support the TUMC Youth by coming for lunch which will be a variety of soups for a free will donation and the greenery sale (but not the garlands). Second, support the TUMC Ladies by shopping their "Holiday Decor Sale" for all seasons. Third, shop the Home Party and Craft Sale that supports the Methodist mission in Puerto Lempira, Honduras. The Vendors pay a table fee which all goes directly to "Send Hope" so we need to make the event worthwhile for them to come from all over the northern hills to make your holiday shopping easy and convenient. The TUMC Women will also supply baked goods to be sold to benefit "Send Hope".

Many thanks to Bonnie Brookings and Carolgene Peters for again sharing the duties of organizing this event. Usually this event generates \$1000+ to the Travel Fund for "Send Hope" which transports children and chaperones to the main part of Honduras for extensive medical and surgical treatments that are unavailable in Puerto Lempira. See the info table at the front of the building that explains all that this missions does for the children and parents in the "forgotten" state in Honduras.
