## From Peggy's Pen

Well, here we are – entering into the year of 2019. For some, there is an excitement to say hello to 2019 and farewell to 2018. There are others who greet 2019 with an anxious trepidation, not sure what this year has in store for them. Usually around this time of year, we start talking about resolutions, making changes and promises to ourselves and to others. A new year seems to hold so many possibilities.

The reality, it's is our choice of how we want to approach and live into this New Year. The same things that we struggled with in the previous year don't just disappear because we changed a calendar. They continue to exist. The habits that we formed, both healthy and not as healthy are still part of who we are. Often we wish that as we enter a new year, that all the problems and struggles would disappear, but we know that's not the case.

If we want to have changes in our lives, that means we have to make a choice and a conscientious choice at that. We have to be intentional about making the changes – to set realistic goals, work to achieve those goals, and it helps to have someone, or a small group, help to hold you accountable.

The same thing is true with our Faith and Spirituality. We are all works in progress and need to make continuing on our journeys of faith. God wants to work within each and every one of our hearts. God wants to transform them to look more like Christ in this world. That takes making changes. Setting realistic goals, and being willing to be held accountable. It takes saying "yes."

There are many ways you can make active changes, to make 2019 a year of deepening your faith and your discipleship. Commit to prayer and scripture. Join/Facilitate a Bible Study. Participate in worship as an usher, liturgist, or creating an opportunity for fellowship. Join an area of ministry such as leading Sunday School, helping connect with folks in our community through outreach, or how we can share the light of Christ through Missions. Let's start 2019 right!

We'll begin our series with "Everything Happens for a Reason," and then we will continue with "God Helps Those Who Help Themselves," "God Won't give You More Than You Can Handle," "God Said It, I Believe It, That Settles It," and concluding with "Love the Sinner, Hate the Sin." ## Change To Make A Change

Last year we began "Change To Make A Change" on the 3<sup>rd</sup> Sunday of the month. This is an expansion of the "Loaf of Bread" offering that used to take place. During the year of 2018, our children collected **\$1913.86** for local, national, and worldwide missions and ministries! Your loose change really added up!

As we enter into 2019, we are excited that we will be continuing this ministry and are so thankful for the help of our young disciples and for your generosity! This will continue on the third Sunday of the month. Your loose change can be paper or coin and will help make a change in the lives other others as we support a mission/outreach project!

For the month of January, on Sunday, January 20, 2019 our change to make a change will go to support the Dakotas Medical Mission Trip to Honduras. The offering collected will go to support the medications and supplies needed to offer medical care, especially to children in need.

## WINTERFEST

TUMC has been asked to participate in the activity over the January 18-19th weekend. On Friday, we will be a part of the Progressive Chili Feed. On Saturday, the front room will be converted into the "Kid Zone" so families with young children can warm up with various activities including a craft table, hot coca and cookies to decorate, toy area and a reading area for quiet time. Then next meeting of the Winterfest Committee will take place on Thursday, Dec. 27th so more information is forth coming. If you are interested in helping with the chili feed, please contact Pastor Peggy. If you would like to help with the Kid Zone, please contact Sue Holloway.

## Souper Starz

TUMC is hosting the first Souper Starz of 2019 on Thursday, January 31st. We will need to make about 3 soups to be served starting at 5:00pm.

Sue Holloway will be presenting on Clothe-A-Kid and would appreciate your attendance to vote on this project.

The cost is \$10 per person with \$5 going to the organization that receives the majority of the votes. Those interested in helping, please contact Pastor Peggy.

## 2018 TRUSTEES REPORT

In 2018 the Trustees received several generous donations from the Cecil Nelson Memorial, which allowed us to complete some big projects that have been pending for several years. These included replacing the vinyl flooring and repainting the Johnson Room, replacing the vinyl flooring in the CMC kitchen & bathrooms and installing a sprinkler system for the church & CMC lawn.

In June, the church buildings all received extensive hail damage. The roofs have been replaced, but painting trims, rafters, siding and repair of cross and flame are still pending.

In the fall we installed a projector system in the church and updated the second floor Sunday school rooms and hallway with new LED light fixtures, and fresh paint.

On our spring and fall church work days we completed cleaning projects, minor wall repair and paint projects, partially patched the parking lot wall, reduced the height of the south retaining wall due to tilt, and completed the regular preventative maintenance.

With the help of the finance committee, we established an accruing fund for the HVAC system so when the time comes to replace furnaces in the CMC, we will have money set aside for that purpose.

Throughout the year our Trustee's work on numerous projects large and small to maintain and improve our church. They build custom screen windows, repair and paint walls, awnings, and doors, repair the dishwasher and hot water tank, trouble shoot water leaks and various plumbing problems, plow the parking lots and make sure the boiler system, and furnaces are in good working order. When you see Larry Howell, Don Rogers, Don Daywitt, Dean Geiman, John Hauge, Bob McNeill and Mike Darling, please let them know how much you appreciate all they do for our Church.

Projects for 2019 include completing the repair of the retaining wall and patching the large parking lot wall, replacing the ballast lights in the CMC with LED fixtures, installing electronic locks on the church and CMC to better control access and set aside money in the HVAC fund. Pastor Peggy has applied for a Builders Grant that would assist us in moving the church offices to the CMC for better visibility and accessibility and convert the current offices to youth space. We are also applying for an Outside of Deadwood Grant to replace the old wood siding on the church with siding that is more durable. If you are interested in contributing to any of these funds, please note it on your contribution and on the contribution envelope.

Thanks for all your support!

Trinity UMW

Fun & fellowship guided the Trinity United Methodist Women as they celebrated the Christmas season.

On December 6 cookie plates were prepared for carolers to distribute on the afternoon of December 9. Thank you to everyone who made cookies and participated.

Also on the 6th the members joined the Presbyterian ladies for a lovely Christmas luncheon and program. Our group will host next year's event.

The residents of Golden Ridge welcomed over 20 carolers on December 16. It was a lot of fun for everyone.

We invite all women of the church to attend the January 3 meeting at the Christian Ministry Center at 12:30. Happy New Year!
